

GLACIER'S EDGE COUNCIL

# ALL SCOUTER POW WOW

## Catch the Fire of Scouting

**Saturday, January 14, 2012**

**Deerfield High School, Deerfield Wisconsin**

The Glacier's Edge Council All Scouter Pow Wow is supplemental leader training at its **BEST**. It is designed to provide program ideas, resources and **FUN** for all Scouting volunteers. It is planned so that leaders may return year after year, earn certifications in their chosen fields and keep current on all that Scouting has to offer the youth of our area.

We have arranged the classes in interest areas that we are calling "tracks". A track is a guideline so that you can take all of the classes in that interest area all day if you choose. Tracks are just a planning device so that classes in the same interest area are not held at the same time. You can mix and match classes from any number of tracks.

Every Scout Deserves a Trained Leader

**REGISTRATION** will take place in the cafeteria area as you enter the High School from the parking area.

The registration area is where you will pick up your class schedule and materials. Registration will begin at 7:30 a.m. The Opening Ceremony will start at 8:30 a.m. and you will head off to your first class at 9:00 a.m. So, bring all your Unit's Scout Leaders, Volunteers and Parents because you'll have a **FUN** filled day "*Catching the Fire of Scouting.*"

**OPENING & CLOSING CEREMONIES** will all take place in the Gymnasium. Classes will be held in the high school.

**MIDWAY:** The Midway has representatives of businesses & non-profit organizations. The Midway also has information about Scouting events & opportunities to enhance your programs during the year. Scouters are encouraged to visit the Midway. The area will be open from 10:00 A.M. to 2:00 P.M.

**THE TRADING POST:** Will be offering Scout materials and some other special items so be sure to check them out.

**FOOD:** Breakfast items (doughnuts, bagels, juice, coffee and tea) are available for purchase in the cafeteria.

Lunch will be served in the main cafeteria area. It will be a hot lunch with a vegetarian option.

**THE STAFF:** Staff members are coming to the All Scouter Pow Wow from throughout the Midwest. We're dedicated in finding knowledgeable instructors for all the classes. We thank all the staff members for their valuable time and effort.

**THE CLASSES:** Each year, the All Scouter Pow Wow changes the courses offered. This keeps the All Scouter Pow Wow fresh and up to date with the latest changes in scouting. If you have an idea for a class for next year's All Scouter Pow Wow, please let us know. Also, please fill out the evaluation forms for classes at this year's All Scouter Pow Wow.

**OPEN FORUM SESSIONS:** We have added more open forums to the schedule this year, both for Venturing and for Cub / Boy Scouting. Our goal is to have an opportunity to ask questions and share issues with an experienced moderator. Sometimes it's good to have a chance to just talk about Scouting, and listen to others. We hope these sessions can be beneficial to you.

**THANKS TO DEERFIELD SCHOOLS:** Deerfield has welcomed us into their facility year after year and we appreciate their willingness to let us use their facility.

**DEN CHIEF TRAINING:** Den Chief Training will be held in conjunction with the All Scouter Pow Wow. Boy Scouts, with the approval of their Scoutmaster, can attend this valuable leadership training. Having Den Chiefs is a great way to improve troop and pack relationships, and a good way to help make sure Webelos advance into the Troop. The Boy Scouts will learn how to lead skits, songs, and other den activities. Fee: \$15.00 before close of business on December 30, 2011 and \$20.00 after December 30, 2011 which includes patch, lunch, book and training.

**Everyone who registers by the Early Bird deadline will receive a \$5.00 discount on the price of registration.**

**Any updates to the class list or fees will be posted at the Glacier's Edge Council website <http://glaciersedge.org/>**

**You have the option to register online. To register online go to <http://glaciersedge.org/powwow>.**
